

# I'LL NEVER LET YOU GO

lyrics: Tomas n'evergreen
music: Tomas n'evergreen

lonely nights aint hard to find  
years gone by girl but you're still the one I want  
you're all my life - you're the reason why  
I'm still holding on

I'll never let you go  
that's how much you mean to me  
there's no way you're leaving  
nothing can tear us apart  
I'll never let you go  
I swear I'd be needing you  
with every beat of my heart

broken dreams are everywhere  
no one cares when you're down on your own  
you should know that I'll be there for you  
baby I'll be around

just stay here one more night  
there's nothing good about goodbye  
all I want is to hold you  
in my arms for evermore  
never leave your side  
there's nowhere to hide  
there's no end and there's no begining

I'll never let you go  
that's how much you mean to me  
there's no way you're leaving  
nothing can tear us apart  
I'll never let you go  
I swear I'd be needing you  
with every beat of my heart
