

ONE MORE TRY

lyrics: Tomas n'evergreen
music: Tomas n'evergreen

wait

it doesn't have to end this way

wait

it's all a big mistake

stay

girl you don't have to walk away

stay

stay with me today

let's give it one more try

give me just one more night

hold me don't let go

won't you tell me one last lie

tell me that you've changed your mind

stay until tomorrow

lies

was all you promised me that night

lies

somehow it's no surprise

time

give time to change your mind

just give me time

baby wont you give me

one more try

give me just one more night

hold me don't let go

won't you tell me one last lie

tell me that you've changed your mind

stay until tomorrow

I'm free

but I'm not where I want to be

free
but I want you here with me
don't you say
that we were never meant to be
don't you leave

baby wont you give me
one more try
give me just one more night
hold me don't let go

won't you tell me one last lie
tell me that you've changed your mind
stay until tomorrow

forgive me
one more time
give me just one more night
hold me don't let go

won't you tell me one last lie
tell me that you've changed your mind
stay until tomorrow
