

# DON'T GIVE UP

lyrics: Tomas n'evergreen
music: Tomas n'evergreen

that night I woke up with this song in my head  
got out of bed  
wrote down this hit  
and it went straight from my heart  
into charts  
climbed up the list  
and though it was just a dream  
it seemed so real  
I swear I thought I was awake  
then again -  
say Helena looked a little shorter

I should have known  
my story was not true  
as I wrote down these lines  
tell me how could I know  
my dream would end so soon  
as I closed my eyes

don't give up it's alright  
she's the love of your life  
don't let time pass you by  
you're doing alright  
close your eyes and you'll see  
go and find what you need  
just hold on to your dreams  
you're doing fine

and soon my song should become  
# 1  
an overnight sensation  
on the air  
everywhere  
on heavy rotation  
could this be  
an evergreen

written by the new king of pop  
it payed my bills  
house in the hills  
really aint that cold on the top

I should have known  
my story was not true  
as I wrote down these lines  
tell me how could I know  
my dream would end so soon  
as I closed my eyes

don't give up it's alright  
she's the love of your life  
don't let time pass you by  
you're doing alright  
close your eyes and you'll see  
go and find what you need  
just hold on to your dreams  
you're doing fine  
you're doing alright
