

# YOU'RE ALL I EVER WANTED

lyrics: Tomas n'evergreen
music: Tomas n'evergreen

this time I believe I've found you girl  
this time there's no easy way out  
took you one minute to change my world  
to turn my life upside down

you're all I ever wanted  
you opened up my eyes girl it's true  
you're all I ever needed  
no one makes me feel like you do

I don't want to know what the future holds  
I don't want to know 'bout your past  
I just want to lie here forever  
I'd wish this moment would last

you're all I ever wanted  
you opened up my eyes girl it's true  
you're all I ever needed  
no one makes me feel like you do

I got to take that next flight  
I got to leave you behind  
wish I could turn back the time  
I'm running out of excuses  
I know it's time for goodbye  
that you can never be mine  
I'm letting you go  
I got to find my way home

you're all I ever wanted  
you opened up my eyes girl it's true  
you're all I ever needed  
no one makes me feel like you do
