

LIVING ON A DESERT ISLAND

lyrics: Tomas n'evergreen
music: Tomas n'evergreen

I'm gonna get you baby
I'm gonna make you mine
I'm gonna get you baby

All this time you've been looking for love
asking why love aint looking for you
well your eyes have been closed for so long
I guess you've got to make a move

one more night one more name on your list
if true love is blind you may have an excuse
there were times you'd have settled for less
now does it matter who you choose

Love to be living on a desert island
wouldn't it be the perfect place to hide
Love to be living on a desert island
how would you like your private paradise

There's not a face or a smile you remember
you could swear that you've seen her before
and though it feels like you've been here forever
you keep on coming back for more

she doesn't know about your first date behaviour
says she wont let this chance pass her by
well you may as well pick her up
do you want to wait for the love of your life
until the day that you die

how I'd love to be living on a desert island
wouldn't it be the perfect place to hide
Love to be living on a desert island
how would you like your private paradise

I'm gonna get you baby

I'm gonna make you mine

I'm gonna get you baby

Love to be living on a desert island

wouldn't it be the perfect place to hide

Love to be living on a desert island

how would you like your private paradise
