

# NEVER FORGET

lyrics: Tomas n'evergreen
music: Tomas n'evergreen

Now girl I still remember  
the beauty of your smile  
you're all that I hoped to find  
I just can't believe you're mine

you promised me forever  
but that look in your eyes  
is telling me I shouldn't stay  
and there's nothing left to say

But I'll never forget this feeling  
no I shall never forget the first time we made love  
never forget this feeling  
no I'll never forget the first time we made up

you told me you'd be waiting  
still I want you to know  
that you were the only one  
but now that summer's gone

and Broken Heart December  
is such a long time ago  
I know that you found someone new  
but I'll keep an eye on you

and I'll never forget this feeling  
no I shall never forget the first time we made love  
never forget this feeling  
no I'll never forget the first time we made up

never forget  
no I'll never forget the first time we made up  
never forget this feeling  
no I shall never forget the first time we broke up  
never forget this feeling  
no I'll never forget the last time we made love
