

# I HAVE BEEN SEARCHING

lyrics: Tomas n'evergreen
music: Tomas n'evergreen

they say time is a healer  
you may forget but I know I won't forgive  
I'd turn your wine into water  
but I sure won't turn that other cheek

now I have been searching for so long  
and now I know  
that nothing is certain anymore  
and I just feel like going home

and so you'd like to go and find me  
but you just don't dare to testify  
I hear you speak of revival  
but would you bite that sweet fruit one more time

now I have been searching far too long  
and now I know  
I know the world keeps on turning ('round and around)  
and I just feel like going home

maybe daddy's expectations  
were more than just a little too high  
just carry your cross and wait for salvation  
you can't hide from the eye in the sky

I have been searching way too long  
and now I know  
I know that love - true love can hurt you (really bad)  
and I just feel like going home

this is the end of my journey  
I feel like going  
I just feel like going home
