

# EVERY TIME (I SEE YOUR SMILE)

lyrics: Tomas n'evergreen
music: Tomas n'evergreen

would you give me your love  
would you give me your night and day  
if I gave you my word  
if I told you that I'm here to stay  
you're all that I need  
girl you are my everything  
you're the air that I breathe  
you're the rythm in the songs I sing

it's every time I see your smile  
it's the way you look tonight  
you got me down on my knees  
I'll be waiting till you say you do  
and every time you say goodbye  
I'm about to loose my mind  
you got me head over heels  
said I'll never turn away from you

now whatever you do  
girl you are the only one  
you're just too good to be true  
but you'll always be my shining sun  
wherever you go  
no matter which way you choose  
I'll be waiting don't you know  
I could never take my eyes of you

it's every time I see your smile  
it's the way you look tonight  
you got me down on my knees  
I'll be waiting till you say you do  
and every time you say goodbye  
I'm about to loose my mind  
you got me head over heels  
said I'll never turn away from you
